

# AN EASY WAY TO GIVE BACK?

It's  
in  
the  
BAG!

Whole Foods Market Schaumburg is proud to be a part of the **ONE DIME AT A TIME** program! When you bring back your own bags to be used to pack up your order, we give you a dime for each bag that is used. Beginning July 5th and running through September 30th, we are giving you the opportunity to donate those dimes to a local non-profit, **Chicagoland Dog Rescue (CDR)**.

CDR is a not-for-profit Schaumburg based organization that works to rescue dogs that suffer at the hands of cruel or ignorant owners. Dogs are also rescued from homelessness, kill shelters, and owner give-a-ways. The dogs are fostered by volunteers in their home and are socialized, treated with medical care and worked with to make loving pets for local families.

*Your 10 cent bag credit makes a difference!*

Donating your bag refunds is a double dose of give-back goodness! By re-using your own bags and giving back the green you save, you help keep our planet green and our communities thriving!

*So, from the bottom of our green hearts, thank you!*
